Each record certified shall cost \$1.00.
- b. Documents shall be furnished without charge or at a reduced charge, as determined by the Board of Trustees, if the person requesting the documents states the specific purpose for the request and indicates that a "waiver or reduction of the fee is in the public interest" pursuant to Section 6 (b) of the Act (5 ILCS 140/6(b)). cost of the media. In no event may the District accept electronic media from a requestor.

## **5. Unduly Burdensome Request Exemption**

- a. Requests calling for all records falling within a category shall be complied with unless compliance with the request would be unduly burdensome for the District and there is no way to narrow the request, and the burden on the District outweighs the public interest in the information.
- b. Before invoking this exemption, the District shall extend to the person making the request an opportunity to confer with it in an attempt to reduce the request to manageable proportions.
- c. The District shall invoke this exemption in writing to the person making the request specifying the reasons why it would unduly burden the District and the extent to which compliance would so burden the operations of the District.

## **6. Documents Containing Personal Information**

- a. When a requested document contains information of a highly personal nature or whose release would be objectionable to a reasonable person, the Director of Administration must determine if the subject's right to privacy outweighs and legitimate public interest. ## **8. Commercial Requests**

- 
- a. Prior to responding to a request for records, the Director of Administration shall determine whether the requested records will be used in any sale, resale, solicitation or advertisements for sales or services. If the Director of Administration determines that the request is for one of these purposes, it shall be deemed a commercial request and response shall be governed by this section. Requests received from news media, nonprofit, scientific or academic organizations shall not be considered commercial requests.
  - b. When a request is for a commercial purpose, the Director of Administration shall respond to the requestor within five (5) business days, informing the requestor that the request is considered commercial.
  - c. Within twenty-one (21) business days after the receipt of the commercial purpose request, the Director of Administration shall respond to the requestor. Such response shall either: 1) provide an estimate of the time required to provide the records, including a requirement that the requestor pay for the copies; 2) deny the request pursuant to one or more exemptions found in the Freedom of Information Act; 3) notify the requestor that the request is unduly burdensome and extend an opportunity to the requestor to reduce the request to manageable proportions, or 4) provide the requested records.
